BANKSY / "Choose Your Weapon" / Paint on wall / 2010

This mural was created as an **homage** to Keith Haring. The appearance of the cartoon dog (in Haring's style) contrasts to the realistic man by Banksy.

BANKSY / "If Graffiti Changed Anything..." / Paint on Wall / 2011

BANKSY's art regularly makes critiques about society, the law, and the art world. His statements are **controversial**.

BANKSY / "Graffiti Wallpaper Hanging" / Paint on wall / 2009

The mural represents a city worker covering the work of another graffiti artist painted in 1985 with grey wallpaper.

"No Dreams Allowed" / 2010 / Paint on Wall

BANKSY uses stencils to throw up his artwork quickly. The stencils are **intricately** cut beforehand. He usually does a layer of white first, followed by shadows in black.
